THE STOCK MARKET.

Considerable activity has been infused into the stock market since the first of the month, by inside manipulators, the movement in Alta having extended to the stock of all other mines along the lode. Justices, for instance, which sold for \$1.95 on the first, was quoted at \$3 15 yesterday; Hale & Norcross has advanced from \$4 80 to \$9, and Benton from \$1 80 to \$3 75. The north end stocks responded to the impetus; Utah advancing from \$5 75 on Nov. 30th to \$10 75 yesterday. Mexican and Ophir also made a strong advance. So far as can be ascertained by the public nothing whatever has been discovered in Alta to account for the remarkable advance in that stock. The present boom is not unlikely to subside suddenly, and the people who are now rushing in to buy may have their investments tied up for some time to come. The whole movement has the earmarks of a deal.

THE PRESIDENT'S MESSAGE.

The brief synopsis of the President's message telegraphed to the GAZETTE omitted to mention the strong recommendation that he makes in favor of the retirement of greenbacks. The President also approves the suggestion of Secretary Sherman to put a dollar's worth of silver in the so-called silver dollar. The President did not say as much in relation to the new Chinese treaties as was attributed to him. All he did say was what everybody knew before, viz., that two new treaties have been made; one bearing on Chinese immigration, the other on the commercial relations between this country and China. The message is strong in its expressions favoring the inauguration of a system of civil service reform, whereby a competitive system of examinations could be made to take the place of the present system of appointing U. S. officials.

EDITORIAL NOTES.

Several cases of rifles intended for the Irish Land-Leaguers have been captured in Wales. Troops are constantly going to Ireland from England. The Gladstone ministry is pursuing a timid policy towards the agitators and their followers. The British Government is in the attitude of a policeman who sees a man about to commit a murder, but waits for the crime to be accomplished before he asserts the power of the law.

The defense in the Schroeder trial sets up the plea of transitory mania, and yesterday introduced the evidence of medical experts to show that transitory mania is. Dr. Meares gave a case in illustration, where a young French banker had taken his gun to go shooting, and in a fit of transitory mania staid at home and shot his mother-in-law. This may be regarded as rather an unhappy illustration.

Senator Watson has sold out the Truckee Republican, and closed his connection with the paper yesterday. During his ownership the paper sustained its excellent reputation. The Senator does not name his successor, merely saying that the new owner has been practicing law in Truckee during the last six months. Well, success to the new man anyhow.

The Adin Hawksye is to be removed this week to Alturas. This leaves Alta without a newspaper and gives Alturas two. Alturas is filling up very fast. Its population has doubled within a year. Town lots have greatly increased in value.

Now that Congress has got to work again, the big newspapers will this month be filled with Washington telegrams that nobody will read. Little besides Committee work will be done before January.

The cold has been pretty snappy in Minnesota already this winter. Sixty degrees below zero is reported from there.

Bottle will soon have to struggle along with only one paper. The News is fizzling.

BY TELEGRAPH.

The Mussel Slough Settlers' Trial.
SAN FRANCISCO, Dec. 8.
In the Mussel Slough case, U. S. Marshall Poole took the stand to-day and told the story of the shooting. He identified defendants Patterson, Prior and Broden as among the band of armed men who surrounded him at the time of the tragedy. Counsel for the defense foreshadowed his line of defense. He said that he expected to show that Hart and Crow went down there with the intent to commit murder, and were there without authority and not to aid Marshall Poole, but for a very different purpose.

A Libel on Farnon Newman.

From the Cincinnati Enquirer.
The Rev. Dr. John P. Newman is greatly beloved by the Grant family, and visits them almost every day at the Fifth Avenue Hotel. I have been assured that he frequently plays seven, up with the General, and the only clerical aspect of his side of the table, to distinguish it from the other, is the absence of a glass of whiskey and water.

In New London, Conn., is a lot containing five graves, those of a man and his four wives. The women's form four sides of a square, and the man's is in the center, while the inscriptions are as follows:

My III. wife.
My IV. wife.

NEW TO-DAY.

Santa Claus.

Harken, folks, the approaching sound.
Santa Claus is coming near.
His march to this earth is bound
To bring joy to growing children dear.
But then he cannot take all things
On his great white old wings;
And many gifts are left therefore
At Isaac Barnett's dry goods store.
For your wife you can find
Dress goods of a hundred kinds;
Silks, satins, broches, cashmere,
To suit a fancy ever so queer.
And oh the cloaks, dolmans and
burnicees,
Such a present will deserve many
kisses.
For ties, silk handkerchiefs, of all shades
Many hearts expecting wait;
Hoods, nubes and beautiful hose
Ladies' heads, necks and l— to enclose.
But you must not forget household
wants,
Blankets, carpets, towels, napkins and
tidies for stands,
And many other fancy and necessary
wear,
To beautify the home you care.
For children's cloaks, gloves, etc.
their eyes to blent,
Which will make them joyous clap
their little hands.
How their little eyes will gladdening
shine,
And loving their little arms father
and mother entwine.
To make hearts flow with delight,
And eyes shine as bright as Christmas
light,
Go to Barnett's Dry Goods Store
And get your presents as stated before.

It makes rich flavored Coffee! Why? Be-
cause all the aroma and food is retained.
It beats them all! Why? Because it saves
10 per cent over boiled Coffee, which is
not Coffee, but bitter water. Second—Be-
cause it saves 50 per cent over any other
method of making Coffee. Third—Be-
cause it saves eggs and trouble of clarifying.
Fourth—Because it makes Coffee
as clear as red wine. Fifth—Because it
takes only two minutes to make Boss
Coffee.

The Boss works as well on Tea, and
saves 25 to 50 per cent.

The Sun for 1881

Everybody reads the Sun. In the
editions of this newspaper throughout
the year to come everybody will find:
I. All the world's news, so presented
that the reader will get the greatest
amount of information with the least
unprofitable expenditure of time and
eyesight. The Sun long ago discovered
the golden mean between redundant
fulness and unsatisfactory brevity.
II. Much of that sort of news
which depends less upon its recognized
importance than upon its interest to
mankind. From morning to morning
the Sun prints a continued story of
the lives of real men and women, and
of their deeds, plans, loves, hates, and
troubles. This story is more varied
and more interesting than any ro-
mance that was ever devised.
III. Good writing in every column,
and freshness, originality, accuracy,
and decorum in the treatment of every
subject.
IV. Honest comment. The Sun's
habit is to speak out fearlessly about
men and things.
V. Equal candor in dealing with
each political party, and equal readi-
ness to commend what is praiseworthy
or to rebuke what is blamable in Dem-
ocrat or Republican.
VI. Absolute independence of parti-
san organizations, but unwavering
loyalty to true Democratic principles.
The Sun believes that the Government
which the Constitution gives us is a
good one to keep. Its notion of duty is
to resist to its utmost power the efforts
of men in the Republican party to set
up another form of government in place
of that which exists. The year 1881
and the years immediately following
will probably decide this supremely
important contest. The Sun believes
that the victory will be with the peo-
ple as against the Rings for monopoly,
the Rings for plunder, and the Rings
for imperial power.

Our terms are as follows:
For the Daily Sun, a four-page
sheet of twenty-eight columns, the
price by mail, post paid, is 55 cents a
month, or \$6 50 a year; or, including
the Sunday paper, an eight page sheet
of fifty-six columns, the price is 65
cents a month, or \$7 70 a year, post-
age paid.

The Sunday edition of the Sun is
also furnished separately at \$1 20 a
year, post-age paid.
The price of the Weekly Sun, eight
pages, fifty-six columns, is \$1 a year,
postage paid. For clubs of ten send-
ing \$10 we will send an extra copy
free.
